# Develop Without Limits

WooCommerce is developer friendly, too. Built with a REST API, WooCommerce is scalable and can integrate with virtually any service. Design a complex store from scratch, extend a store for a client, or simply add a single product to a WordPress site—your store, your way.

## Know our Global Community

WooCommerce is one of the fastest-growing eCommerce communities. We're proud that the helpfulness of the community and a wealth of online resources are frequently cited as reasons our users love it. There are 80+ meetups worldwide!
